The Govt. of Madras want contribution for ~~a~~ the period ~~of~~ ~~5 years~~ from 1st June 1936 to 31st March 1940 at Rs.803/- per annum i.e. Rs. ~~2409~~ 3078/-. Contributions in respect of future years are to be paid by the 1st October in each year. The Commissioner of Police stated that if the claim was pressed, it would probably result in our discontinuing to make use of the Madras Bureau.

If approved this may be sent U.C. to the Commissioner of Police for remarks.

2. From Secy's remark at 3 & 7 of R. 654/39 & from the letter of P.U.C., the Madras govt. are obviously not going to meet us. First, then, Commr. of Police may suggest action to cut down the work done for us by Madras, or else to break with them altogether.

U/S.

Secondly, on return, F.A. may advise on the question of back payments. Presumably Madras will also demand payment for current year, or part of it.

4 I suggest that we break with Mysore entirely. For our monthly contact with Mysore Govt., or, in any case, send our R.P.s to Bangalore Bureau. It would be reasonable to pay the Mysore Govt something for their work.

5 We may instruct Madras not to send their Tender St. any more, & say that we shall no longer send R.P.s for record in Madras Bureau.

6 If approved, please let me know so that I may issue instructions to my subordinates.

7 I enclose a note from the H.P. Mysore. If we can agree to pay Rs 600/- approximately to Mysore, I can then ask H.P. to take up the matter with his Govt. The actual pay + contributions etc. of our Sub. Inspector (in Mysore) comes to Rs 1080/- per year. So that Rs. 600/- seems to be reasonable.

C.of P. informs me that at present he records finger prints both in Mysore & Madras. The Tester only comes round + takes a certain number of impressions + checks with records to see that the work is correctly done.

10 Please see x extract of the Proceedings of the Conference of Financial Representatives held in November 1929. The convention agreed to was for rectification of errors in classification between governments discovered by accident or otherwise. The present case would not seem to come thereunder. The Finger Print Bureau at Madras does not maintain any separate establishment for Bangalore and until an agreement is reached as to the share chargeable to Bangalore the question of erroneous classification to Madras

and

and application of the convention for recovery for back periods will not arise. It is only from 1-6-39 when the question was first raised that a claim can be held to have arisen.

11 The Madras Government is not, however, likely to agree to this point of view. The case may therefore be reported to the Political Department for their orders. Their sanction is necessary to the payment of the charge either to the Madras Government or Mysore Government, under Rule 64 of the Book of Financial Powers.

12 Budget clerk may also see and keep a note for necessary provision being made in the Revised Estimate for the current year and Budget Estimate for 41-42.

25 Please see Mr. Peel's D.O. dated 21-2-40. It would appear that one will have to be trained as Finger Print Expert before Mysore can take over the work. It would therefore be necessary to ask Mysore Government first from what date they will be able to take over before informing Madras that the services of their Bureau are not required. The convenient arrangement will be to give effect to the change over from the next financial year provided Mysore can have a man trained by then. The extra cost on account of Madras Bureau being used for 4 more months will be about Rs.68/- only. We may therefore authorize payment to Madras for the whole of this year. About discontinuance we can tell them later as soon as we hear the exact date from Mysore.

My dear Peel

You may remember recently discussing with you the matter of the Finger Print Bureau paying payment for work done by them in testing, searching & reading of F.P.s.

As regards testing of F.P.s, I understand that you do not actually use F.P. testers in Ulster at present for your own Bureau, but from my own experience here, I think it is desirable that F.P.s for record sent from Crown Station should be tested at the Central Jail regularly. It saves work in the Bureau by ensuring that F.P.s sent for record are correct and of proper quality, & so work has to be minimised.

I would therefore ask if you could arrange to train one of my Sub-Inspectors in your Bureau, to work as Tester S.I.

I imagine that all that such an S.I. requires is a good knowledge of what constitutes a proper F.P. suitable for classification. Apart from that he has chiefly to see that the forms are properly completed, that the F.P.s submitted are actually those of the individual named, and that

[left hand side in
the right ~~hand~~ ~~is in the opposite~~ their correct places.
a C.P. slip
If a ~~man~~ is not good enough for classification, he
has to take the first one, or one that the C.P. Off. of
the Station, who accompanies him, does so.

If you are willing to do this, can
it be done informally, or do you want a formal
letter? If you think that no payment is
necessary, I expect it can be done informally.

Yours sincerely

You may remember I recently discussed with you the matter of the Madras Finger Print Bureau wanting payment for work done by them in testing, searching and recording of F.Ps.

As regards testing of F.Ps., I understand that you do not actually use F.P. Testers in Mysore State for your own Bureau, but from my own experience here, I think it is desirable that F.Ps for record sent from C & M.Station should be tested at the Central Jail regularly. It saves work in the Bureau by ensuring that F.Ps sent for record are correct and of proper quality, and do not have to be returned.

I would therefore ask if you could arrange to train one of my Sub-Inspectors in your Bureau, to work as Tester S.I. I imagine that all that such an S.I. requires is a good knowledge of what constitutes a proper F.P. suitable for classification. Apart from that he has chiefly to see that the forms are properly complete, that the F.Ps submitted are actually those of the individual named, and that the right and left hands are in their correct places. If an F.P. slip is not good enough for classification, he has to take fresh ones, or see that the F.P. Head-constable of the Station, who accompanies him, does so.

E. G. B. PEEL, Esq., C.I.E.,
Inspector-General of Police
In Mysore.

My dear Peel,

Please refer to your D.O. letter No.SB/124-40 dated 15th February 1940.

If a Tester is required to satisfy himself that Finger Prints are actually those of a particular individual, he will have to be trained as a Finger Print Expert. I am afraid I cannot undertake to do this without Government sanction and in any case payment of a fee would certainly be demanded.

In view of the fact that the Mysore State Finger Print Bureau already acts as a home Bureau for the Civil & Military Station, I suggest that the best arrangement would be for us to train one of our own Sub Inspectors as an additional Expert in our Bureau, who should be employed as a regular Tester for the Finger Prints of the Civil & Military Station as well as for Mysore State Prisoners. If your administration were prepared to contribute, say Rs.600/- yearly for the purpose, I think I could secure the sanction of the Mysore Government.

Yours sincerely,
Peel

***

I am directed to say that since the Civil and Military Station, Bangalore has no bureau of its own and all its finger print work is done by the Madras Bureau this Government consider that it ought to pay for the services rendered by the Madras Bureau on its behalf. They regret therefore that they are unable to waive their claim.

2. As regards the recovery of cost with retrospective effect, I am to say that according to the convention agreed to at the conference of Financial Representatives, in 1929, a limit of 3 years was accepted in cases where the amount involved was substantial. The claim in this case was detected on 1st June 1939 and a claim for 3 years

prior

prior to that date was made with reference to that convention. As the cost of services rendered is substantial, I am to request that the claim put forward by the Madras Government may be accepted and arrangements made to credit this Government with the amount due for the period commencing 1st June 1936 and ending 31st March 1940, at the rate of Rs.803/- per annum.

From

The Hon'ble Lieut. Colonel J.H. Gordon, C.I.E., O.B.E., M.C.,
Resident in Mysore.

To

The Secretary to His Excellency the Crown Representative.

Dated Bangalore, the 28th September 1940.

RECOVERY OF COST FOR SERVICES RENDERED BY THE MADRAS FINGER PRINT BUREAU TO THE CIVIL AND MILITARY STATION, BANGALORE.

Sir,

I have the honour to say that since the Civil and Military Station of Bangalore has no bureau of its own, finger print work is at present being done by the Finger Print Bureau, Madras. The Government of Madras consider that the Station ought to pay for the services rendered by the Madras Bureau on its behalf and have preferred a claim against this Administration at the rate of Rs.803/- per annum with retrospective effect for the three years prior to 1st June 1939, the date on which they detected the claim.

2. It was pointed out to the Madras Government that recoveries on account of finger print work should not be made since such work was done by bureau throughout India for the mutual advantage of all the administrations concerned, and since the finger print work done for the Civil and Military Station by the Madras Bureau is also of considerable advantage to the Madras Police. In reply, the Government of Madras have expressed their inability to waive the claim.

3. As regards the recovery of cost with retrospective effect, the Government of Madras explain that the claim is made with reference to the convention agreed to at the Conference of Financial Representatives in 1929. The convention referred to (vide extract enclosed) was for rectification of errors in classification between Governments and does not in my opinion apply to a recovery of this nature. The Finger Print

Bureau,

Bureau, Madras, does not maintain any separate establishment for Bangalore and until an agreement is reached with regard to the share chargeable to Bangalore, the question of erroneous classification and the application of the convention for recovery for back periods does not arise. It is only from 1st June 1939 when the question was first raised that a claim can properly be held to have arisen.

4. As my view and that of the Government of Madras differ I submit the case for the orders of His Excellency the Crown Representative. If the claim is admitted, I shall meet the expenditure from the sanctioned budget and apply for an additional allotment in due course.

5. In future, I propose to entrust the finger print work of the Civil and Military Station, Bangalore, to the Government of Mysore who have a Finger Print Bureau in Bangalore City. They are agreeable to undertake the work on payment of an annual contribution of Rs.600/-. I consider this to be reasonable and request that His Excellency the Crown Representative may be pleased to accord sanction to the payment of this amount annually to the Mysore Government. I am providing Rs.600/- in the Bangalore budget for 1941-42.

I have the honour to be,

MEMORANDUM.

Reaudit of past transactions between two Governments.

- - -

Article 215 of the Account Code lays down that an error affecting the revenue and expenditure of different Governments should be corrected by transfer in all cases as soon as the error is discovered. The necessity of having such a rule is obvious. At the same time, it is necessary to recognise that the rule was intended primarily to provide for the rectification of errors which were detected by audit officers in the ordinary course of their audit. As the rule is worded, however, there is nothing to prevent a Government from under-taking a re-audit of the past transactions of any number of years without limit, for the purpose of searching for items wrongly charged to itself which should have been debited to other Governments. The Government of India consider that this would be an intolerable situation as every audit officer might be provoked to undertake a re-audit with the object of countering his rivals and seeking advantage for the authority for whose accounts he is responsible. It is not intended to suggest that in actual practice any general tendency of this kind will definitely arise. But it seems undesirable that the rules should permit of a situation arising which every one would readily and naturally deprecate. It is accordingly suggested that re-audit for the purpose in question should always be limited to the preceding three years and that errors in classification discovered by accident or otherwise after a period of three years should not be corrected, and, if this suggestion is accepted by Local Governments, the rules on the subject will be suitably

amended.

(Sd) E. Burdon,

Secretary to the Government of India.

Copy of paragraphs 9 and 10 of the Proceedings of the Conference of Financial Representatives held at New Delhi in November 1929.

9. The Chairman said that this proposal to set a time-limit upon the re-audit of past transactions between - Governments, and to fix the limit at 3 years, aimed at the mutual convenience of Governments and the convenience of audit. Sir Frederic Gauntlett explained that the proposal was the outcome of experience that had followed the radical changes in the financial relations between Provincial Governments and the Government of India introduced by the Reforms. It had taken time for everybody including audit, to adjust themselves to those changes, and during the process there had been misclassifications in accounting, the complete adjustment of which in somes cases involved re-audit for many years back. No system of audit and accounting, however conscientious, was proof against occasional mistakes; and there was no guarantee, particularly as further changes in the constitution were about to be introduced, that misclassifications, possibly involving large sums, would not occur in future. On behalf of his department he would welcome the adoption by the Governments of a time-limit in the matter of rectification of accounts such as that proposed in the memorandum.

10. The Hon'ble Mr. Pradhan saw danger, particularly to Provinces vis-a-vis the Government of India, in the proposed limit of 3 years and suggested that it should be raised to at least 5 years. He was supported by the Hon'ble Mr. Couper and the Hon'ble Mr. Stow. At the instance of Sir George Lambert, the Chairman pointed out that the real requirement was a convention rather than a rigid rule, and it was generally agreed that a limit of 3 years counting from the date on which a mistake was

discovered, should be accepted with the proviso that it might be exceeded in really special cases. It would follow from the spirit which occasioned the convention that no hard and fast rule could be set down determining what constituted a special case or who should decide whether a case was special. The decision would most naturally lie between the Governments concerned. The essential thing was that audit should not be called upon to dig into the past beyond a period of 3 years save in cases in which the audit investigation over that period of 3 years revealed exceptional reasons for doing so.

ACTION AFTER CONVICTION.

819: (1) If the person is convicted, the counterfoil should be returned to the Bureau with the finger print slip for record.

SUBMISSION OF FINGER PRINT SLIPS TO THE BUREAU OF PROVINCE OF ARREST AS WELL AS TO THE BUREAU OF HOME PROVINCE.

(2) (a) When an unidentified person is, or is reasonably suspected to be, a resident of or has wandered to another province or an Indian State, or is suspected to have extended his operations to another province or Indian State, reference should be made by the station-house officer with copies of his finger print slips in the manner prescribed, direct to the Bureau of the province or Indian State of which he is a native or of the provinces and Indian States where his operations are believed to extend as well as to the Bureau at Madras.

(b) When sending the finger print slips of an undertrial prisoner or suspect for search, the names of the Bureaux to which copies of the finger print slips have been sent for search should be noted on each slip.

METHOD OF PROVING PREVIOUS CONVICTIONS IN TRACED CASES.

(3) If on the return of the search slip from the Bureau, it is found that previous convictions have been traced against the accused, steps should be taken to prove such previous convictions, when necessary, under section 511, Criminal Procedure Code, which requires--

(a) that a certified copy of the previous conviction should be filed, and
(b) that the identity of the accused should be proved.

PROOF OF LAST CONVICTION WILL GENERALLY SUFFICE.

(4) In the case of a person who has been previously convicted more than once, it will generally suffice to prove the last conviction only provided that the former convictions were proved in that case and are mentioned in the judgment.

METHOD OF PROVING IDENTITY OF ACCUSED.

(5) The identity of the accused should ordinarily be proved by the evidence of a Police Officer who is cognizant of the previous conviction, or by a jail officer, who can recognize the accused as the prisoner who underwent the previous sentence of imprisonment, but if such witnesses to identify cannot be obtained, identity may be proved under sections 45 and 73 of the Indian Evidence Act, 1872 (Act I of 1872) as amended by Act V of 1899, by means of expert evidence, for which purpose the record slip must be obtained from the Bureau by which the accused was traced and the services of an 'expert' requisitioned from the Madras Bureau.

----x----

COPY OF POLICE STANDING ORDERS No. 827 and 819.

NUMBER OF COPIES OF SLIPS REQUIRED FOR RECORD:

827: The number of finger print slips required for record is as follows:--

(1) Of ordinary convicts convicted in their Home province, one copy will be taken for record in the Bureau of the province of conviction.

(2) Of all convicts--

(a) who are wanderers, unidentified or whose operations are known to extend beyond the limits of their Home province, or

(b) who, though themselves residents of the province of conviction, are really foreigners and are thus likely to have relations with criminals of ~~xxxxx~~ other provinces, or

(c) who are members of criminal tribes or are known or believed to be connected with organized gangs in other provinces, or

(d) who have been convicted of theft of firearms and ammunition or under the "Arms, Opium or Excise Acts," in circumstances which render it likely that they are illicit dealers in "Arms, Opium or Cocaine" or

(e) who have been convicted under section 328 , Indian Penal Code, if the offence was of a professional type, or under sections 231 to 253, Indian Penal Code, and sections 489-A to 489-D,

as many copies will be taken as are required for record in (a) the local Bureau, (b) the Bureaux of the provinces of which the convicts are alleged to be residents and (c) the Bureaux of the provinces where their operations are known to have extended.

(3) Of non-Asiatics convicted of an offence of the type in which finger prints would ordinarily be taken for record under the rules, the finger prints and photographs should be taken in <u>duplicate</u> and sent by the District Superintendent of the district in which the case was registered, for record in the local Bureau and for transmission to the Intelligence Bureau (Home Department) Central Government, through the C.I.D.

I have the honour to invite your attention to the reference quoted above and to request an early reply thereto as I have to issue instructions to the subordinate Police before 1-4-41 regarding the sending of Finger Print Slips for test# etc.,

Office of the Commissioner of Police,

Dated 28th March, 1941.

O R D E R.

I. Arrangements have now been made for the work of testing and recording of Finger Prints for the C & M Station, Bangalore, to be done entirely by the Bangalore (Mysore State) Finger Print Bureau, with effect from 1st April, 1941.

II. With effect from that date

1. All Finger Prints of convicted persons will be sent to the Bangalore F.P. Bureau for record.

2. Testing of F.Ps. of convicted prisoners will be carried out by arrangement with the Bangalore F.P. Bureau and not by the Madras F.P. Bureau.

3. No. F.Ps will be sent to the Madras F.P. Bureau for record, except those of convicts who are natives of or have convictions in the Madras Province.

4. The Officer in charge of the Police Station is responsible for preparing the required number of F.P. Slips for record in different Bureaux. See order No. [illegible] of C & M Station Police Gazette.

III. 1. [illegible] regarding [illegible] of F.P. slips or accused persons for search. When an arrested person is known locally, there should normally be no need to send his F.Ps for search.

2. It has already been pointed out that it is generally unnecessary to make use of Sec. 75 I.P.C unless it is considered desirable to enable a Court to impose a sentence greater than that provided by the I.P.C for the simple offence without the addition all penalties provided by Sec. 75. It must also be remembered that Sec. 75 I.P.C. does not empower a Magistrate to award punishment beyond his powers as specified in Sec. 32 Cr.P.C.

3. In the case of a person who has been previously convicted more than once, it will generally suffice to prove the last conviction only provided that the former convictions were proved in that case and are mentioned in the judgement.

4. Officers should study Madras Police Standing Order Nos. 810 and 827 of Volume I and follow the principl of those Orders.

5. When an unidentified person is arrested and is, or is reasonably suspected to be a resident of or has wandered to another province or an Indian State or i suspected to have extended his operation to another province or Indian State, reference should be made by the Officer in charge of the Police Station with copies of his F.P. Slips in the manner prescribed direct to the Bureau of the Province or Indian State of which he is a native or of the provinces and Indian States where his operations are believed to extend as well as to the Bangalore (Mysore State) F.P. Bureau.

139

IV. The Finger Print H.C. or such other officer of the Crime Branch (when reconstituted) as may be deputed by the Inspector in charge of the Crime Branch will continue to give the same assistance to the Tester Sub-Inspector of the Bangalore (Mysore State) F.P. Bureau as has been previously given to the Madras Tester Sub-Inspector.

V. Since all convicts of C & M Station, Bangalore, sentenced to imprisonment for a term exceeding one year are sent to Vellore Jail after the period allowed for appeal is over or after the disposal of the appeal as the case may be, arrangements must be made for their F.P. Slips to be tested before they are sent to Vellore Jail.
